LANTERN MAKING

PROGRAM

The Great Cultural Heritage of Hoi An - A Collapsible Hoi An Souvenir

To start, you will taste traditional Vietnamese tea and enjoy the various flavors of tea during the lantern making lesson.

You will notice Hoi An lanterns best at night. Hoi An people believe that hanging lanterns in front of their house brings luck, happiness, and wealth to the family.

Our Lanterns are made of silk and bamboo and come in many shapes such as lotus, diamond, sunrise, sunset. Obviously, you are wondering who makes these lovely and creative lanterns.

Our answer: "They are made by you!"

We provide the bamboo that forms the base of your frame; you do the rest. Your instructor will show you how to make your lantern from the first to the last step and how to make your own Hoi An lantern. We provide beautiful silk so that you can choose your own color pattern, and design.

Steps to Making a 30 cm Hoi An Lantern:

- Step 1: Align 12 bamboo stakes and attach them with wire threads.
- Step 2: Shape the stakes into either a sunset or sunrise form.
- Step 3: Insert the bamboo stakes into a hanger. Tighten the wires.
- Step 4: Secure the stakes with thread.
- Step 5: Select silk.
- Step 6: Apply glue to 4 stakes. Let dry until tacky.
- Step 7: Set silk on stakes and carefully stretch silk. Once silk is correctly positioned, press the silk onto the glue.
- Step 8: Repeat silk application until the lantern is covered.
- Step 9: Cover the top and base of the hanger with strips of silk.
- Step 10: Select a tassel for the base of the lantern.
- Step 11: Finished lantern.

Take this interesting course in lantern making from a helpful professional. Once completed, these lanterns are easy to fold, carry, or put in your luggage. Take an original, enjoyable, hand-made souvenir home from your visit to Hoi An.

DANANG WATER SPORTS

Parasailing

Parasailing is one of the most thrilling water sports in the world. You will be towed behind a speedboat while attached to a parachute. While flying above the sea at a height of 70 to 100 meters, you can have a panoramic view of the vast blue sea below, feel the strong ocean breeze through your hair, and scream as loud as possible. When the parachute lands on the sea, you will fall into the water. But don't worry! You will be wearing a life jacket and the water is never too cold in Da Nang.

Jet Skiing

Jet Skiing is a water sport suitable for those who like thrill and speed. The staff will guide you on "how to drive the jet skiing on the sea". When you experience jet skiing, you will have the opportunity to conquer the waves of the vast ocean with a speed of 70 to 80 kilometers per hour.

Banana Boat Ride

When the speed boat drags the Banana Boat Ride into the sea and the speed is increased gradually, the feeling of bobbing and surfing on the waves is unforgettable. Up to five people can join in this float of fun. Therefore, this water sport is highly team-based. When the speed boat makes sharp turns, your team must arrange time reasonable to maintain balance.

Wakeboarding

When wakeboarding, you will surf the sea behind a fast boat as you admire Da Nang from afar. The wakeboard is not like a surfboard however; it's small, narrow, and rectangular in shape. This sport is quite easy and does not require too much effort. Just learn a few simple techniques from the guide and you are ready to play! The more participants, the more fun you will have.

Speedboat Rental

Speedboat rental is suitable for those who like to have a private boat. Exploring the pristine coastline on your own is absolutely awesome! The speedboat capacity is up to 16 people.
